Oakley Aero Hydrolix

Whether you're putting for birdie or relaxing in the clubhouse, the Oakley Aero Hydrolix packs both style and modern performance so you can focus on your links play. Advanced stretch fabrication moves with you for greater range of motion, and antibacterial fabric treatment fights odor when play heats up. It's finished with a classic two-button branded closure for enduring style.

Material Details :

- Hydrolix moisture management system helps keep you cool, dry, and comfortable.
- 100% Recycled Polyester made from post consumer plastic bottles is lightweight and breathable.
- 4-way stretch provides freedom of movement and superior comfort
- UPF 15+ is designed to provide sun protection
- Antibacterial properties help keep fabric fresh after wear and washings.
